

Structured Cable Products

Quality Installations Deserve Quality Products

Structured Cable Products, Inc. (headquartered in South Florida) is a leading global manufacturer and supplier of low voltage wire, cable and accessories. We offer the best combination of product quality, price, and customer service in the structured wiring industry.

What Sets SCP Apart from the Rest?

SCP carries the widest selection of cables, including specialty and hard to find cables. Whether you are looking for bulk cables such as CAT5E/CAT6, Coaxial Cables, Speaker Cables, Security, Fire Alarm, Direct Burial, Structured Wiring, Specialized Control Cables such as our Crestron and Lutron Compatible Cables, or hard to find specialty cables such as CAT6A and 25 Pair CAT5E, SCP has the largest product selection in the industry!
