MOTO**RAZR**^{2} V8

**You can**
- listen to music using wireless Bluetooth stereo headphones or through the speakers on your phone
- listen to music with your phone open or closed
- use touch-sensitive buttons on the outside of your phone to control the music when your phone is closed

1. Press 🎵 to access your music player.

2. Select songs to play from folders. Every song on your phone appears in **All**. Songs may not appear in all folders.
   Tip: To play songs in random order, press **Options** > **Setup** > **Shuffle** > **On**.

3. To play a song, press 🔘.
   Tip: To change the volume, press the volume keys on the side of the phone. To turn off the music player, press 🔘.

4. Use the navigation keys to control the music:
   Pause/Play, press 🔘 **Up**
   Rewind, press and hold 🔘 **Left** (for at least 2 seconds)
   Fast Forward, press and hold 🔘 **Right** (for at least 2 seconds)
   Play previous song, press 🔘 **Left** (within first five seconds)
   Play next song, press 🔘 **Right**
   Restart song, press 🔘 **Left** (after first five seconds)
   Stop song, press 🔘 **Down**

5. If you receive a call while music is playing, the song pauses, then resumes when the call ends.
   Tip: To take the call, press **Answer**. To reject the call, press **Ignore**.

6. To use other phone features while playing music, press **Options** > **Hide**. To stop the hidden music player, press 🔘 in the home screen.
   Tip: To add a song to a playlist while it is playing, press **Options** > **Apply to** > **Playlist**.

7. Close the flip and use the visual keys on the flip cover to control the music:
   Press ▶‖ to pause/play
   Press ▶▶| to play the next song
   Press |◀◀ to play the previous song
   Press and hold ▶▶| to fast forward
   Press and hold |◀◀ to rewind
   To stop the music, press and hold the pause/play button.
   Tip: To lock and unlock the touch sensitive keys, press and hold the Smart Key on the side of the phone.
